

CSAJ-2010 New President's greeting

Dear CSAJ family members,

First of all, the committee members of CSAK-2010 and I, would like to extend our warm greeting and friendly regards to all the members of CSAJ.

We would like to express our deep gratitude for the trust you gave us in running this new CSAJ mandate of 2010.

We, the new elected CSAJ committee, will try our best to accomplish CSAJ goals and actions plans as mentioned in CSAJ-2010 manifesto. With the mutual assistance between the regional representatives, and with the strong volunteer spirit as well as commitment of our committee, we will be able to make the 2010 mandate flourish with happiness, enjoyment as well as friendly and strong relationship among our students in this community.

Last but not least, I, on behalf of our new elected CSAJ executive committee, would like to thank the former CSAJ president, Mr. Ear Chariya and all the former CSAJ regional representatives, for their effort and devotions that they had contributed during the past year.

CSAJ-2010 is looking forward to have your further future support, participation and cooperation.

Best regards,

CSAJ President: Heng Sopha
