Vision statement

We aspire to represent and protect the collective student interests and build a strong student network through a shared activity and strong unity of voice.

Mission statement

CSAK belongs to every Cambodian student studying in Japan. We aim to transform CSAK to be a well-known dynamic student association, which consists of many active members who advocate for volunteer community service, academic growth and leadership pursuit.

We unite to serve our student body through direct participatory approach and ensure that collective student's concerns can be properly addressed and heard.

We will not only focus on continuing efforts to have knowledge and experience exchange within and outside our community but will also closely work with Cambodian community in Japan and Cambodia, researchers, together with other stakeholders to introduce and promote our Cambodian arts, culture and tradition.

Volunteer Activities in Japan

Since my arrival to Japan in July 2009, I have participated in numerous volunteer activities both within our student community and Japanese. Moreover, I had chance to volunteer in events sponsored by Royal Embassy of Cambodia in Japan.
